

How To Use This Map

The purpose of this map is to illustrate the general locations and networks of Grant-in-Aid snowmobile trails in Northwest Minnesota. It is not meant to be a navigational tool.

1. Information about individual trails is available from the local contact person listed after the trail name under "Trail Information Sources."
2. The trails are listed in numerical order. The number adjacent to each trail on the map corresponds to the trail listings. To find the contact person for a specific trail, find the appropriate trail number in the listing.
